💬 Personal Statement

Third-year Software Engineering student with a curiosity for technology's transformative potential. Strong foundation in programming languages. A dedicated learner and adaptable team player, driven by challenges and committed to making a positive impact through innovative solutions.

🎓 Education

Feb 2022 - Present
Bachelor of Engineering (Honours) (Software Engineering)
The University of Auckland
(GPA: 8.2/9.0)

Relevant Courses:
- Data Structures and Algorithms
- Software Quality Assurance
- Object-Oriented Programming
- Human-Computer Interaction
- Fundamentals of Database Systems
- Operating Systems
- Software Engineering Design 1

Feb 2019 - Nov 2021
Cambridge International Examinations
ACG Parnell College

Cambridge (CIE) Subjects:
- A-level Mathematics
- A-level Physics
- A-level Chemistry
- AS Economics
- AS English Language
- AS Computer Science

🖥 Technical Skills

- Java, Python, C
- A strong understanding of object-oriented programming
- PostgreSQL
